

PCN# : P564AAB
Issue Date : Jul. 02, 2015

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification. Alternatively, you may send an email request for information to PCNSupport@fairchildsemi.com.

Implementation of change:

Expected First Shipment Date for Changed Product : Sep. 09, 2015

Expected First Date Code of Changed Product :1537

Description of Change (From) :

Fabrication Site: Devices fabricated for Merlot at Fairchild Salt Lake City, UT 6-inch wafer manufacturing

Description of Change (To) :

Fabrication Site: Devices fabricated for Merlot at Vanguard 8" foundry wafer manufacturing

Reason for Change:

This is a custom PCN for Merlot only - the actual PCN document is attached in the google docs, Notes & Attachments section as a Word document. The PCN system was not used to distribute the PCN. Noel Sy is responsible for informing Merlot of this PCN.

Improvement in cost competency to allow Fairchild to sustain long term commercial support to Apple for our discrete, low-voltage FET products.

Affected Product(s): Please refer to the list of affected products in the addendum attached in the PCN email you received. This list is based on an analysis of your company's procurement history.
