

PCN# : P586AAB
Issue Date : Aug. 24, 2015

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products on or after the issue date of this notification.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification.

Implementation of change:

Description of Change (From) :

Backmetal Composition of Au or AuAs (a very small number of wafer parts have additional metals in the stack)

Description of Change (To) :

Backmetal Composition of TiNiAg or TiNiAgSn.

Reason for Change:

Consolidation and standardization of backmetal processes to maximize production efficiency and output.

Affected Product(s): Please refer to the list of affected products in the addendum attached in the PCN email you received. This list is based on an analysis of your companys procurement history.
