Description and Purpose:

onsemi is announcing the qualification of new lead frame with A194ESH base material for QFN devices in onsemi Seremban, Malaysia. This change will be implemented to mitigate supply disruption as the current supplier has ceased operation and can no longer support Last Time Buy. onsemi has no supply of the current lead frame and customers are encouraged to review this change in order to minimize any potential impact to their supply chain. Customers not wishing to receive material assembled with the new lead frame will need to work with their local sales contact to push out orders.
