

PCN# : P499AAB
Issue Date : Oct. 07, 2014

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification. Alternatively, you may send an email request for information to PCNSupport@fairchildsemi.com.

Implementation of change:

Expected First Shipment Date for Changed Product : Oct. 23, 2014

Expected First Date Code of Changed Product : 1443

Description of Change (From) :
Operating temperature range -25c to +125c

Description of Change (To) :
Operating temperature range -40c to +125c

Reason for Change:
Wider temperature range allows more flexibility for use in customer applications.

Affected Product(s): Please refer to the list of affected products in the addendum attached in the PCN email you received. This list is based on an analysis of your company's procurement history.
