

PCN# : P69GAAB
Issue Date : Sep. 30, 2016

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products on or after the issue date of this notification.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification.

Implementation of change:

Description of Change (From) :

- 1) Die Information - Metalization - back - V/ Ni/ Ag (page 1)
- 2) Table title: Absolute Maximum Ratings (page 1)

Description of Change (To) :

- 1) Die Information - Updated the Metalization - back - Ti/ NiV/ Ag
- 2) Table title: Electrical Characteristics on Wafer
- 3) Add note: For Additional Product Information and Electrical Characteristics on Package
Refer to the FFSH15120ADN_F155 product datasheet

Reason for Change:

This is a Datasheet change only.

- 1) Correcting the backside metallization to correct value
- 2,3) Clarifying the electrical characteristic information content and reference to packaged device

Affected Product(s):

PCFFS08120AF
