

GENERAL ANNOUNCEMENT
Generic Copy

18 Dec 2007

SUBJECT: ON Semiconductor General Announcement # GA16078

TITLE: CPN Removable label on Moisture Barrier Bag

EFFECTIVE DATE: 29 Feb 2008

AFFECTED PRODUCT DIVISION: ALL

FOR ANY QUESTIONS CONCERNING THIS NOTIFICATION:

Contact Your Local ON Semiconductor Sales Representative or Mark Coldiron <mark.coldiron@onsemi.com>

DESCRIPTION AND PURPOSE:

Customer Part Number (CPN) Label s will no longer be applied to reels inside of Moisture Barrier Bags (MBB). Two CPN labels will be affixed to the outside of the Moisture Barrier Bags. One label is permanently affixed. The second label will be removable, so that customer can affix the label to the reel upon opening the moisture barrier bag. This change is designed to eliminate the need to break the seal of the moisture barrier bag for labelling purposes, thereby decreasing the risk of compromising the parts. The ON Semiconductor Manufacturer's part number label will continue to be placed on all reels, moisture barrier bags and boxes.

AFFECTED DEVICE LIST

This is a General Announcement. General Announcements do not contain a specific list of affected devices. GPCN uses these announcements when all or no devices are affected.
