Dear Valued Customer,

Fairchild Semiconductor wishes to advise you that we intend to discontinue the product(s) listed below. Our records indicate that you have either purchased or submitted technical inquiries regarding one or more of the listed product(s). Fairchild will not accept orders for the listed products if placed more than 6 months from today.

Your company has 6 months to place end-of-life orders for the listed product(s). All deliveries must be scheduled for shipment within the next 12 months. Our intent is to work with customers to meet existing obligations. However, we would like to caution you not to wait until the last moment to place your final order as we may not be able to guarantee delivery of requested quantities if your lifetime buy order is not placed in a timely fashion. If you anticipate a need over and above your historical run rate, whether an order is placed now or near the end of the lifetime buy cycle, please provide your Fairchild sales representative with a forecast to maximize the potential for product availability.

It is Fairchild Semiconductor's policy that orders for products on lifetime buy status are non-cancelable and non-returnable.

We thank you for your attention in this matter. Should you have any questions, please do not hesitate to contact your Fairchild Semiconductor sales representative.

Sincerely,

Fairchild Semiconductor Corporation
