

PCN# : P624AAB
Issue Date : Feb. 11, 2016

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products on or after the issue date of this notification.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification.

Implementation of change:

Description of Change (From) :

Absolute Maximum Ratings, Human Body Model ESD level value was 2000 V (page 4).

Description of Change (To) :

Absolute Maximum Ratings, Human Body Model ESD level value updated to 1500 V (page 4).

Reason for Change:

This is a datasheet change only.

Update typo on ESD HBM level to correct value to align with data.

Affected Product(s):

FDMF6808N	FDMF6808N_P	FDMF6808N_T
