NOTIFICATION TYPE:

ON Semiconductor considers this change approved unless specific conditions of acceptance are provided in writing. To do so, contact <quality@onsemi.com>.

DESCRIPTION AND PURPOSE:

Current lot numbering is the letter N followed by six numeric characters f.e. N020563

With the new lot numbering the first numeric character, representing the last digit of the year (0 for 2010), will be replaced by a letter representing the year, with A standing for 2010, B for 2011, C for 2012, etc.

This change in lot numbering is required to allow tracking of lots that are processed further in other ON fabs after being started in Fab2 Oudenaarde.
