**Issue Date : Apr. 25, 2013**

**DESIGN/PROCESS CHANGE NOTIFICATION**

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification. Alternatively, you may send an email request for information to [PCNSupport@fairchildsemi.com](mailto:PCNSupport@fairchildsemi.com).

**Implementation of change:**

Expected First Shipment Date for Changed Product : N/A

Expected First Date Code of Changed Product : N/A

**Description of Change (From) :**

The products listed below being qualified for fabrication on Fairchild's Bucheon 8" line per PCN P315A.

**Description of Change (To) :**

The products listed below are removed from the list of products being qualified for fabrication on Fairchild's Bucheon 8" line per PCN P315A. These products will continue to be sourced by Bucheon 6" line.

**Reason for Change:**

The purpose of this ION is to notify the customer of a change to Fairchild Semiconductor's sourcing strategy for the products identified below.

Due to changes in our manufacturing strategy, Bucheon 8" was not ready to support wafer biz using inking process. These products will continue to be sourced by the 6" line.
