## Description and Purpose:

onsemi wishes to promptly inform our customer of our Product Discontinuance in the list of affected parts so that our customer may plan appropriately and effectively for replacement devices.

It has become necessary to tighten our understanding of customer lifetime needs and request that you pursue order as soon as possible.

For those devices that have no recommended replacement identified, onsemi has partnered with Rochester Electronics and Flip Electronics who will carry any remaining device inventory to potentially allow for a continued source after onsemi has completed its business process.

PLEASE NOTE: onsemi may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).

For questions or concerns regarding this notification, please contact your local sales office or customer service representative.
