

DESIGN/PROCESS CHANGE NOTIFICATION

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification. Alternatively, you may send an email request for information to PCNSupport@fairchildsemi.com.

Implementation of change:

Expected First Shipment Date for Changed Product : N/A

Expected First Date Code of Changed Product : N/A

Description of Change (From) :

The products listed below being qualified for fabrication in Taiwan Semiconductor Manufacturing Company Limited, Taiwan per PCN P221A.

Description of Change (To) :

The products listed below are removed from the list of products being qualified for fabrication in Taiwan Semiconductor Manufacturing Company Limited, Taiwan per PCN P221A. These products will continue to be sourced by Fairchild's alternate fabrication lines.

Reason for Change:

The purpose of this ION is to notify the customer of a change to Fairchild Semiconductor's sourcing strategy for the products identified below. These products were scheduled to be qualified and produced in Taiwan Semiconductor Manufacturing Company Limited, Taiwan according to PCN P221A. Due to changes in our manufacturing strategy, Fairchild is no longer planning to produce the products listed below in Taiwan Semiconductor Manufacturing Company, even if they have already been qualified. These products will continue to be sourced by Fairchild's alternate fabrication line. Sample requests for these products from Taiwan Semiconductor Manufacturing Company will also be cancelled. The other products identified in PCN P221A, not listed below, will be sourced interchangeably per the original PCN.

You will be contacted by your local Customer Quality Engineer if you have any outstanding sample or data requests that are impacted by this change. Your CQE can help you select other products to sample from PCN P221A if required.
